

ONE FABRIC WONDER

using the
wedge tool
from the
Color Wheel
Bargello
pattern.

Choose a border stripe fabric. The yardage required varies according to the scale of the fabric.

Trace the line onto the wedge ruler using a felt tip pen.
Place a roll of tape, sticky side out onto the back of the wedge ruler.
Place the wedge on the fabric, aligning a portion of the design to the marked line on the wedge ruler.

Cut 12 wedges exactly the same.
Cut a second group of 12 wedges the mirror image of the first.
Sew the wedges together to form a circle.

Applique a circle of fabric over the center opening.
