

# Jewel Box Candle Mat

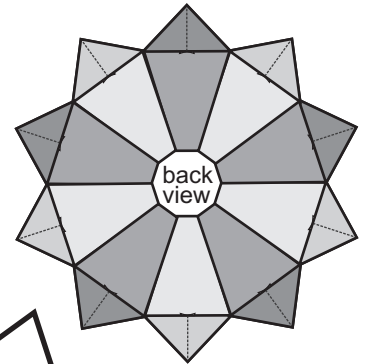

Cut two strips of fabric:  
5 1/2" x about 18" (25" if directional)  
From each fabric strip,  
Cut **five** wedges

*If using the Jewel Box tool  
place the 1" line on the top edge,  
and the 6 1/2" line on the  
bottom edge of the fabric strip.*

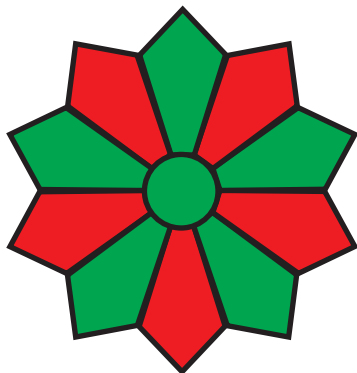

Fold the wedge in half, right sides together.  
Sew along the base.  
Turn the point inside out.  
Press.  
Repeat for all the wedges.

Sew the ten wedges together, alternating colors.  
There will be a 2" opening in the center.  
Make a circle applique using the freezer paper method.  
Stitch the applique over the center of the candle mat.

For backing, iron fusible web to a 11" square of wool felt.  
Cut an 10" circle from the felt.  
Press it to the back of the candle mat.

Top with a festive  
candle to add warmth  
to any Holiday setting
